The Natural Cabin

From: £4800

The Natural Cabin is a log cabin that looks - and works - like a home of its own! The large front porch area, protected from the elements by its overhanging apex roof, gives you a place to relax outdoors. Meanwhile, the large indoor space with its large georgian windows can be treated as a room in your house. The apex styling of the roof, picket fencing, and side flower boxes combine to produce a homely feel to this cabin.

Size available:

4.0m x 5.3m £4800

DESIGN INSIGHTS:

- Extended interior space for you to relax in
- Large front porch with overhanging roof
- Outdoor area surrounded by picket fencing
- Traditional apex roof providing natural drainage
- Available in a selection of five unique colours
- 28mm log walls are strong and reliable
- Double doors with inset glazing for natural light
- Cabin comes with floor supplied as standard
- Includes roofing felt, fixtures and fittings
- Assemble easily at home using manual
- 10 year warranty as standard
- Comes treated free of charge

- Folding glazed doors let you open the room to the outside
- Two tall windows that can be opened to increase airflow
- Overhanging pent roof with 1.6 degree slant angle
- Strong aluminium framing ensures stability
- 44mm cladding for insulated padding & strength
- Available in a selection of four unique colours
- Easy assembly using the helpful building manual
- Roofing material is not included with the building
- 10 year warranty as standard
- Comes treated free of charge

The Natural Alcove

From: £9000

Make the most of your space with the modern looks and spatial efficiency of the Natural Alcove. The timber and aluminium exterior, as well as the flat roof, make for a sleek modern aesthetic ideal for contemporary gardens. Easily come and go, and ventilate the building, using the two sliding glazed doors which reach from floor to ceiling, and get snug inside when things get cooler thanks to the naturally insulating 44mm thick timber.

Size available:

4.3m x 3.4m £9000

Available options (£)

Size	Natural Wood	Swedish Red	Glacier Green	Light Grey	Carbon Grey
4.3m X 3.4m	Included	950	950	950	950

The Lifetime Apex Plus

Price: £1400

A smaller cousin of the Apex Plus, the Lifetime Apex Plus still delivers great accessibility and reliability. A strong galvanised steel structure and fire-proof vinyl panelling create a durable outer shell that is protected by a 15-year warranty. Two sets of double doors, plus skylights and slotted vents, provide the Lifetime Apex Plus with ventilation, light, and in-built accessibility for a trustworthy storage solution.

Size available:

10.5ft x 8ft £1400

DESIGN INSIGHTS:

- Sizeable shed - total area of 10.5x8 ft
- Fully weather-resistant and maintenance-free exterior
- Fire, rust, rot and dent-resistant vinyl resin panelling
- Beams, columns and trusses made from galvanised steel
- Huge storage potential for a range of items
- Unique rustic appearance, ideal for gardens
- Plus faux-shingle roof adds charm
- Two sets of double doors for additional accessibility
- 15-year protective manufacturer warranty ensures long-lasting use
- Four slotted gable vents for air circulation
- Two large skylights inset into the roof, with two front windows
- Quick assembly using snap-in panels and intuitive booklet
- 10 year warranty as standard

The Lifetime Heavy Duty

Price: £3100

The Lifetime 15x8 Heavy-Duty plastic shed is designed to be incredibly sturdy and durable without sacrificing a charming exterior in the process. Using a high-density polyethylene (HDPE) plastic build, combined with special touches like the choice of arched double or single doors, this shed stands out for all the right reasons.

Size available:

15ft x 8ft

£3100

DESIGN INSIGHTS:

- Steel wall construction
- Heavy duty steel trusses
- Slated apex roof for water drainage
- Internal HDPE shed flooring
- Double outward opening doors
- 6 Interior shelves
- 6 Roof ridge skylights
- 2 Opening side windows
- Front and rear vent
- Catch opening mechanism
- 10 year warranty as standard

The Lifetime Apex Extra

Price: £2224

Spacious, durable, and easy to keep, the Lifetime Apex Extra is a plastic shed that you can depend on. Fantastic accessibility to both sides of the Lifetime Apex Extra is provided by two double doors, with four slotted vents for airflow and skylights that bring in natural light. With fire-retardant vinyl panels, a galvanised interior steel structure, and a 15-year manufacturer's warranty, this is a shed that delivers quality you can trust.

Size available:

15ft x 8ft

£2224

The Sophisticated Gazebo

Price: £2000

Outdoor living has never looked so good - or been so safe - as it is under the sophisticated gazebo. This sleek gazebo has been designed with an anthracite colour scheme that blends in with contrasting modern gardens. Equipped with a robust powder-coated steel roof, set in two tiers to provide natural ventilation on those hot days, and a thickened cedar frame, this gazebo is water-resistant so you can stay safe and sound when the rain clouds roll in.

Size available:

4.5m x 3.9m £2000

DESIGN INSIGHTS:

- Sleek anthracite grey colour scheme with dark timber and metal
- Extra strong 140mm wide wooden support posts
- Grey tone strong cedar gazebo frame
- Two-level roof with gaps provide great ventilation
- Powder-coated steel roof keeps you shaded and sheltered
- Intuitive construction and care manual for self-assembly
- Length: 451cm x Width: 393cm x Height: 317cm.
- 1 year warranty as standard

The Revolution Gazebo

Price: £1950

Create a sheltered outdoor gathering place and invite family and friends to linger with you in your garden. The gazebo helps you to protect your retreat. Enjoy cool moments under the two-tier, ventilated hood supported by a rust-resistant steel frame. Give your gazebo the final design touch by attaching a chandelier to the built-in ceiling hook. Use the net to keep mosquitoes and bugs away. With easy-to-follow assembly instructions, you'll be relaxing in your new favourite outdoor living space in no time.

Size available:

4.5m x 4.0m £1950

DESIGN INSIGHTS:

- 4x3m gazebo constructed from rust-resistant black steel hipped powder coated roof
- Black rust-resistant powder coated steel frame
- Mosquito net included
- Built-in ceiling hook for hanging lights (lights not included)
- Easy illustrative assembly instructions with an experienced customer service team at the ready for any questions that may arise
- Length: 385cm x width: 324cm x height: 307cm
- 1 year warranty as standard

The Octagon Gazebo

Price: £1950

Design your living room under the open sky and create an oasis in the middle of your garden. Stay shaded from the sun under the two-tier, ventilated roof supported by a rust-resistant cedar wood frame and a rust-resistant, powder-coated steel and polycarbonate roof panel. The polycarbonate roof window protects you from the sun on hot days, and at the same time, you can enjoy the natural skylight. Attaching a chandelier to the built-in ceiling hook gives your gazebo the final design touch. You can also use the net to keep mosquitoes and bugs away. With the easy-to-understand assembly instructions, you can settle down in your garden and enjoy a cool drink in no time at all.

Size available:

4.0m x 4.0m £1950

DESIGN INSIGHTS:

- 4x4m frame construction made from high quality cedar wood, pre-cut and pre-drilled with a natural finish
- Heavy duty 2-level powder coated steel roof in black
- Built-in ceiling hook for hanging lights (lights not included)
- Easy illustrative assembly instructions with an experienced customer service team at the ready for any questions that may arise
- Length: 395.7cm x width: 395.7cm x height: 318cm
- 1 year warranty as standard

The Arch Gazebo

Price: £750

Enjoy late nights, sunny afternoons and calming mornings in the shade of the Arch Gazebo. A modern gazebo with arched roof and strong steel frame, the tan covering keeps you sheltered and shaded no matter the weather, while anchoring plates help keep the arch rooted to the ground. A convenient side shelf is also on hand for drinks, food and more.

Size available:

4.0m x 2.0m £750

DESIGN INSIGHTS:

- 4x2.5m arched wood-finish pergola
- Additional side shelf for drinks, snacks and lighting
- Powder-coated weather resistant steel frame
- Posts have a convincing faux-wood finish
- Curving roof creates inviting, modern aesthetic
- Adjustable rain-repellent tan shade covering
- Includes steel anchoring plates to fix down your pergola
- Intuitive manual makes it easy to assemble
- Length 406cm width 259cm height 239cm
- 1 year warranty as standard

The Apprentice

From: £499

The Apprentice greenhouse is a stylish and compact solution for all-year-round use. This building includes a sliding door for easy access to your building even when carrying items; a strong galvanised steel base is also included to create a sturdy foundation for your building, and increase its resistance to hazardous weather.

Sizes available:
